Audio Production (links available on my website)

- 'Digging with Flo': editor and sound recordist, podcast by NTS Radio about music and gardening, recorded on host Flo Dill's allotment. Digging with Flo has been well reviewed by The Guardian and The Times and was part of Apple Podcasts' 'New & Noteworthy' collection.
- 'Don't Assume': editor and sound recordist, long-form interview series made by NTS, presented by Zakia Sewell.
- 'In Focus: Connie Converse': producer and editor, deep dive into the music of the 1950s singer-songwriter Connie Converse for NTS.
- 'The Cha-cha Champion': produced a radio documentary about a 9-year-old Latin dancing champion, made for the BBC Radio 4 series Short Cuts.
- 'Togetherall Talks': produced and presented a podcast series about student mental health and peer support for online mental health company Togetherall.
- 'My Granny Is a Selkie': produced an audio story using poetry, field recording and archive recordings. Made for the BBC as part of the ICA New Creatives award, exhibited at the ICA in 2022 as part of their Current Transmissions exhibit.
- 'Deptford Folk': produced a radio documentary about Deptford's Jack in the Green May Day parade, made for Safe + Sound's show on Resonance FM.
- 'The Puppet Theatre Barge': (producer) documentary about a marionette theatre on a boat.
- 'Art Throb': (producer) interviews with three LGBTQ+ artists about their work.
- 'The Mask Maker': (producer) interview with an artist who makes papier-mâché masks.
- 'Why be a magician?': (producer) interviews with three magicians.
- 'This Quarantined Life': (producer) a homage to This American Life (made for Slow Dance Radio).
- 'Friday Night at The Social' and 'Birds, Telegraph Hill, Sunrise': short audio stories, field recordings and poetry made for Safe + Sound on Resonance FM.
- 'Wall to the Right of My Bed': sonic poem made for Sarah Geis's Audio Playground.

Producer at NTS Radio (September 2022 - Present)

- Producing live and pre-recorded music shows.
- Troubleshooting and fixing technical issues under time pressure during live shows.
- Editing and scheduling shows, producing mixes, archiving, and uploading programmes.
- Working as a sound recordist and editor on NTS's podcasts.
- Multitasking while producing live shows e.g. updating track lists, editing photos, posting on social media and doing other administrative tasks while adjusting mic levels, dealing with host requests and resolving tech issues.
